# The SUPER INSANE collection…

## … of Oliver from 4D

**First site, it's the <u>Medieval Europe learning journal!!!</u> It is printable, coloured, and have a QR at the back!**
**Visit:**
*https://urbanetrex.github.io/cdn/html/ medieval_europe/Files/ Learning%20Journal, %20Medieval%20Europe.pdf*
**for more details.**

Scan me

**Second site, it's an <u>Ultimate Spelling Rule Applier</u>… It is interactive, best display on laptops and desktops, but it still needs more fixes and updates.**
**Visit:**
*https://urbanetrex.github.io/cdn/ html/SM-LVD/ combine%5Btools%5D.html*
**right now, it's also a tool for teachers…**

**BTS** *(Behind the Sites)***:**
*Anyway, the first site was made for about two months, but the second was made for a week…*
<u>*That's what I call insane!!!*</u> **The collection is not finished yet…**

**Now to let every student know the collection, JUST GIVE YOU THE QR AND LINK…**
